

Manufacturer:

Skelex B.V.
Saturnusstraat 95
2516 AG The Hague
The Netherlands

We hereby declare under our sole responsibility that the following product:

Product name: Skelex NECKSUPPORT
Product description/type: Passive lower neck support exoskeleton
Model/Article numbers: 000-0008

is in conformity with the provisions of the following European Union directives:

- Machinery Directive 2006/42/EC
- RoHS Directive 2011/65/EU
- REACH Regulation (EC) No 1907/2006

Applied Harmonized Standards:

- EN ISO 12100:2010 – Safety of machinery – General principles for design
- EN 1005-1/2/3/4 – Safety of machinery – Human physical performance
- EN 614-1:2006+A1:2009 – Ergonomic design principles

Basis for Conformity:

The design and manufacturing of the Skelex NECKSUPPORT are based on risk-assessed engineering practices, in line with the relevant harmonized standards. Internal testing and evaluation have confirmed that the product meets the essential health and safety requirements of the above directives. Supporting documentation is maintained in the technical file, available upon legitimate request.

Signed for and on behalf of the manufacturer:

Name: Bart Bakkum
Function: Managing Director
Place & Date: The Hague, NL, July 2nd 2025
